

November, 2018 Tacoma--

What are the actions we need to take to support College Bound students from sign-up to enrolling in postsecondary education?

Access and Technology	Intentional Communication and Connections w/ Students Community	Knowledge of Students Using Data	Enthusiastic and Purposeful Advertisement	Confidentiality	Stakeholder Collaboration
Technology Access (MIL's, Portal, Fafsa, etc.)	Connect with younger siblings HS College Bound Students	Know your students (Academic, school performance, social emotional)	Advocate needs to be organized through the process	Space and Privacy	Staff Collaboration and support
Access to College Bound Portal/Tool Box	Persistence with student and parent communication	Identify who is eligible	Must be enthusiastic about College Bound	Be aware of Sensitivities	Must be Collaborative
Help Family Complete Required Apps (MIL, FAFSA, WASFA, College Apps	Inform all families about college bound	Data	Outreach and Advertisement		Academic Interventions
	Engagement and Conversation with Caring adult about post-secondary pathways	Add New Student			
	Communicate effectively and often				
	Provide all possible resources				
	Understand and educate about financial aid
