Congratulations! You’ve almost made it to your last year of high school. Now is not the time to get senioritis. You still need to do a number of things to graduate from high school and prepare for college.

**WHAT SHOULD I DO THIS SUMMER?**

- Register for SAT or ACT tests. Check with your counselor to see if either test is offered at your school.
- Visit colleges or attend college fairs and talk to admissions counselors.
- Make a calendar for important dates and deadlines.
- Develop a list of several college choices (technical, 2-year, 4-year, apprenticeships).
  - Identify your top college choices and request information.
- Search for and apply to scholarships.
- Save money for college expenses.

**AM I ON TRACK TO GRADUATE?**

- Make sure you have all the credits needed to graduate.
- Check in regularly with your teachers about your grades.
- Continue completing other graduation requirements, such as your High School and Beyond Plan.

**WHAT SHOULD I DO MY SENIOR YEAR?**

**To Do:**

- Schedule an advising appointment with your counselor or college-access mentor.
- If you are enrolled in dual credit courses, talk to your teacher and counselor about taking AP, IB, or Cambridge exams to earn college credit.
- Take the SAT or ACT.
- Complete the FAFSA or WASFA starting on October 1st of your senior year.
- Discuss a college budget with your family.
- Work to maintain or increase your GPA with senior year grades. Colleges and scholarships require you to send fall AND spring official transcripts.

**DON’T FREAK OUT!**

If you have questions, make sure to talk to a counselor, teacher, mentor, peer or family member who can help you prepare or refer you to someone who can help.
